[**Why study the Pathways Enabling Course at UNE?**](#)

Perhaps you have not studied at university before and want to build your academic skills. Maybe you left school before completing your HSC or equivalent, or your results were not enough to enter a university degree. Or, that you finished high school and been in the workplace and need an entry path into university with academic skills to build your confidence with tertiary study. Do not let your educational background prevent you from the possibility of pursuing tertiary study. You can get university ready with UNE's Pathways Enabling Course. It is flexible and delivered entirely online, aligned to your interests, and detailed without being overwhelming. Each component of the UNE Pathways Enabling Course is designed to help you to build your knowledge and skills to step into undergraduate study with confidence. The elective units you choose to study could count as credit towards a UNE undergraduate degree – with an ATAR requirement of up to 77.10 – after successful completion of your pathways course.

University - General

[Fitting in at university after a gap break from study](#)

If you're thinking of starting university after some time out of school, it's natural to wonder how you'll fit in. Many students in your position imagine a lecture room brimming with younger students and an unfamiliar scholarly environment.

[Simulated UCAT Day Workshop: 2-part program - Limited Spots Remaining!](#)

6 & 21 April

If you are in Yrs. 10, 11, 12, or you may be older and considering sitting the UCAT in the future, then this program is for you. The Simulated UCAT Workshop program is ideal and often a necessary step towards effective and efficient preparation for the UCAT. This event will be conducted by the National Institute of Education in partnership in partnership with UCAT Preparation Australia, and MICAS (Medical Interviews and Career Advice Services). The workshop is primarily designed to cover fundamental techniques in navigating all five sections of the UCAT test and also for participants to gain a better understanding of their own level of preparedness for the test.

[UCAT Verbal Reasoning Webinar](#)

27 April

An intensive and interactive advanced UCAT Verbal Reasoning skills training program, which includes a full Verbal Reasoning section mock test.

The UCAT Verbal Reasoning (VR) section, has proven as one of the most challenging sections of the UCAT to prepare for as practicing questions only, is not the most efficient way of preparing. Verbal reasoning requires certain fundamental language and reading skills that normally can take a long time to fully develop.

An intensive Medical Interviews Preparation Workshop for students who received or expecting to receive an interview offer for the Undergraduate Medical Schools in Australia.

The unique NIE workshop program aims for students to gain an in-depth understanding and required knowledge of the medical interview processes for specific universities, including Multi-station Mini Interview (MMI), Structured, and Semi-structured panel interviews. The workshop is structured and based on the models that are taught during our proven one-on-one personalised medical interview sessions. The workshop will allow each and every attendee to learn the required skills and practical understanding for the university from which they received an interview offer from.

TAFE

[Fee-Free Apprenticeships are a great way for students to launch their careers](#)

There's never been a better time to start an apprenticeship in NSW. The NSW Government is paying the course cost for 100,000 new apprenticeships – meaning apprentices undertaking a government funded apprenticeship no longer face a student fee of up to \$2000. Apprenticeships are a great career pathway. They combine on-the-job training with classroom study to give you the skills and experience employers are looking for. Apprenticeships generally take around 3-4 years to complete, and apprentices earn a salary while they learn. There are more than 120 different apprenticeship courses available in NSW, in a range of industries including construction, cooking, aviation and automotive.

[Start your career in Aged Care](#)

When you're ready to begin or nurture a career in the Aged Care industry, take the time to look into the future. Australia's ageing population, and the introduction of the National Disability Insurance Scheme, is increasing the demand for personal care workers. So if you have a caring personality and you've ever considered leveraging your compassionate nature into a career, then you're just the kind of person who might enjoy a personally fulfilling career as an in demand aged care worker.
